#### January 2023 Financial Summary

I want to highlight that the budget is allocated evenly throughout the year while actual expenditures are recorded on a cash basis as paid.

Total General Fund revenues collected to date is \$7,446,023.88

- 99.40% of property taxes have been collected. Second installment property tax bills were sent and collections were distributed by Cook County to the taxing bodies.
- Replacement Tax budget number is a conservative estimate Allocations are higher due to legislative changes that increase the allocation. This revenue is collected by the State of Illinois and paid to local governments to replace money that was lost by local governments when their powers to impose personal property taxes on corporations, partnerships, and other business entities were taken away -
- Fines, Fees & Rentals budget is a conservative estimate we have collected more than budget – the breakdown is as follows
  - o 15% is fines and lost item / replacement collections
  - o 64% is non-resident fees
  - o 21% is copy machine collections

Total General Fund expenditures are \$5,464,623.01 budget differences include:

- Programs is less than budget due to fewer programs being scheduled
- OCLC is over budget the actual number is comprised of OCLC JED Profile
   Group Pricing which is billed quarterly, ILL charges from Illinois Heartland and
   MARC records charges from Overdrive for eBooks
  - o OCLC JED Profile Group Pricing \$21,254.90 billed for 12 months
  - o ILL charges from Illinois Heartland \$ 310.43 billed for 7 months
  - o MARC records charges from Overdrive \$ 1,155.63 billed for 5 months
- CCS costs are greater than budget due to invoices being paid quarterly the library has paid for 12 months of service
- Office supplies is less than budget due to the timing of purchasing supplies
- Postage is greater than budget due to annual deposit being recorded/paid
- General Insurance is greater than budget due to invoice being paid annually and the amount booked represents 10 months of expense

- Equipment Rental & Maintenance is greater than budget due to annual expense for RFID and AMH being recorded
- Community Relations is less that budget due to fewer outreach events
- Vehicle Expense is less than budget due to less usage and fewer repairs
- Janitorial Supplies is less than budget due to the timing of purchasing supplies
- Utilities is less than budget due gas costs being higher in the winter as compared to the summer and recording 8 months of gas and 6 months of water expense
- Building Repairs is greater than budget due to payment of invoices when repairs
  occur not evenly split throughout the year
- Recruiting is less than budget due to using no cost options to publish employment opportunities

#### **BOARD NEWS**

This year the Illinois Library Association is not doing legislative meet-ups, but are instead doing a <a href="mailto:three-step-process">three step-process</a>:

1. Step 1: Get Ready to Advocate

Wednesday, February 22, 10:00 - 11:00 a.m.

This virtual event will prepare library advocates to meet with their legislators. This session will be recorded for later viewing.

2. Step 2: Library 101 for Legislators

Monday, February 27, 10:00 - 11:00 a.m.

This statewide, virtual event will focus on bringing together newly elected legislators and library advocates rather than being geographically centered.

3. Step 3: Report Back and Let Us Know How It Went

After your meeting, tour, or event send your photos and report to ILA so we can share them on our website. Our goal is to reach every part of the state.

Here are the <u>current legislative issues facing Illinois libraries</u> which include:

- Statewide access to online resources
- Amend the local records act to streamline disposal of records
- Flexibility in use of funds for public library districts

If you are interested in attending one of the sessions, please let me know and we will register you. I am also talking with Lindsey Dorfman, Executive Director at the Glenview Public Library. Since we have so much overlap between legislators, we are working on setting up a time for everyone to gather at one of our libraries. I will have more information on that in the coming weeks.

#### **UPDATES**

#### Winter Reading

Winter Reading concluded on January 31. This year's Winter Reading program was a success and the library recorded some of its highest number of participants. A total of 3866 books were read and we received many positive comments about our finishing prizes and the estimation candy jar which was new this year.

| Age         | Sign-Ups | Finishing Rate (typically 50-55%) |
|-------------|----------|-----------------------------------|
| Youth/ Baby | 683      | 67%                               |
| Teen        | 198      | 62%                               |
| Adult       | 735      | 70%                               |

#### Programming

In partnership with the Northbrook Arts Commission, we hosted Northbrook Watercolorist Ken Call for our monthly art show. We also had a special Q&A with Ken in the Auditorium.

"Shackleton, The Endurance, and Antarctic Survival" was presented on January 26th to a packed room of 71 patrons. Patrons were very engaged, asked questions, and stayed after to talk with the presenter, Annie Aggens, who is also a local polar guide. One of the survey comments we received for this program read, "You could have heard a pin drop. Everyone was spellbound! Great program and presentation!"

- The K9 Reading Buddies Program was brought back after a 3 year hiatus due to the pandemic. All of the patron feedback for the program was overwhelmingly positive.
- While we did not have Finals Café this year, we still had a large number of students studying at the library. We look forward to bringing back Finals Café in its entirety next year.

#### Illinois Libraries Present

In January, Illinois Libraries Presents hosted poet, Ross Gay, who discuss how he incites joy in his own life. There were 11 in attendance from Northbrook Public Library with a total of 992 in attendance from all over Illinois

- In February, Illinois Libraries Presents brought in Kwame Alexander, a New York Times Bestselling author of 36 books and winner of three NAACP Image Award Nominations, to our patrons' screens. 22 of the 836 patrons that attended live were from Northbrook.
- As the board is aware, we helped launch Illinois Libraries Present, a joint programming cooperative that launched in the height of the pandemic to bring nationally recognized speakers to Illinois public libraries. We were one of almost 200 libraries give patrons access to speakers like Nick Offerman, Silvia Moreno-Garcia, and Jasmine Guillory. With the generous support of the Illinois State Library and other partners, Illinois Libraries Present hosted seven authors and had over 15,000 Illinois residents join us. As with any large endeavor, it is important to celebrate our success and then pause and reflect on what worked and what didn't. Illinois Libraries Present worked with Fifth Star Collective to put together the Illinois Libraries Present Pilot Report which will help guide us as we continue to grow this partnership and make it possible for libraries of all sizes and budgets to give Illinois residents access to nationally recognized authors speakers.

#### Technology & Facilities

 Around 180 canvases were submitted for the Tiny Art Show, which was jointly coordinated by Adult Services, Maker Services, and Youth Services. Canvases will be on display in Reference on the temporary art walls that are on loan from the Arts Commission.

• We have been working with web developer Bright Plum to migrate our website to

Drupal 9 from Drupal 7. The updated site will go live on February 13.

The shelving that was currently in front of the admin office by the 2nd floor study rooms has been removed and some comfortable chairs have been placed there. Many staff helped with all the planning, shifting, taking down, and moving of furniture including Joe Skittino, Vu Nguyen, and Mike Siwinski in Maintenance, Harvey Huie and Howard our volunteer in Adult

Services, and Anna Amen in Admin.

• We are continuing to experience issues with leaking into Youth Services from the roof. Anna Amen and Joe Skittino are working with Product Architecture & Design and Pepper Construction to resolve the issue.

#### HR

#### Staffing Changes

- New Hires
  - Patrick Rodriguez, part-time Maker Specialist (MS), effective January 17 (replacement).

#### Departures

#### **Project Updates**

#### Civic Zoom Room

Anna Amen and I will be giving a presentation to the Civic Foundation on Monday, February 13 regarding the grant we have requested to help with creating the zoom room.

#### Salary Benchmarking

We have submitted all of our job descriptions to HR Source for benchmarking and are awaiting the results which we should receive in mid-late March.

#### Steam Boiler Replacement

The work on this project began in January and FE Moran is making progress on the project. We expect it to be completed on time and on budget.

#### **PROJECTS**

#### PATRON STORIES

From Assistant Manager Michelle Mistalski

upcycle craft items she already had at home.

A patron came by to share a photo of her project that she completed with the help of every Maker Services staff through the month of December. During the long winter break, she was able to complete the project and thanked staff for all of their input - especially in ways she can

A patron came in looking to see if she could engrave a number of items to give out as gifts for her friends. We walked the patron through the design process and she was extremely pleased with the result of the laser etching. She thanked the staff for their patience and dedication in helping her complete her projects.

#### 3D PRINTING

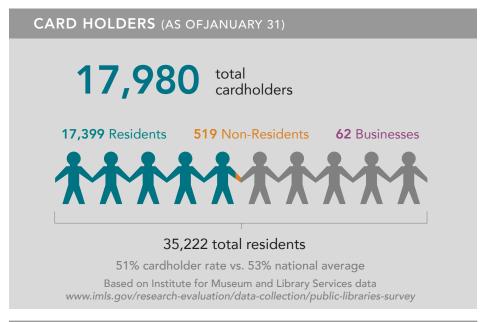

We printed 77 objects for users in January.

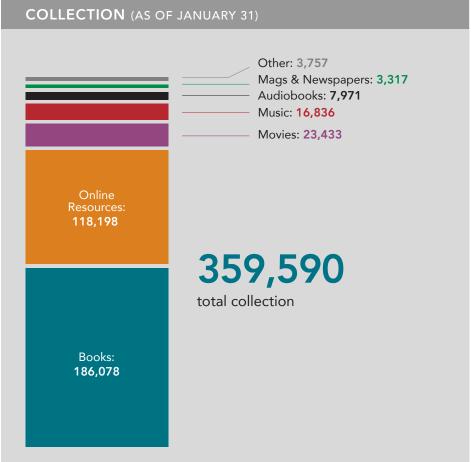

#### **VISITORS**

419 people visited the Collaboratory in January.

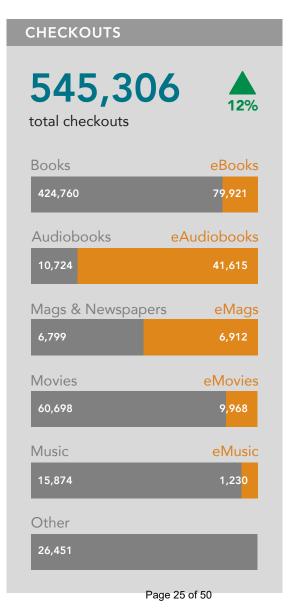

### **STATISTICS** JANUARY 2023

These statistics represent year-to-date counts from May 1, 2022 - January 31, 2023, compared to the same time period for last year, unless otherwise noted. We continue to see steady increases with in person visitors to the library, but are still down from where we were pre-pandemic. Based on the room bookings, we know that the people that are visiting are using those spaces much more heavily. Programming continues to see a slight downward trend in in-person programs for the past few months while virtual programs are holding steady. This was expected during the winter months when people would be less likely to go out in the cold.

#### **Patron Comments and Suggestions**

January 2023

#### **RECEIVED JANUARY 4, 2023**

I have a suggestion for NPL. It would be nice if there was more programming for young children and their guardians / parents on Saturdays. All programming for young children (under 3) is currently during the work week. Other libraries like Wilmette and Glenview have classes on Saturdays once a month such as baby yoga or a music class. Having classes / offerings on Saturday would be a nice resource for working parents to bring their children to library events.

Response to Patron by Summer Kosuge on January 6, 2023:

Thank you for your comment regarding programming for early childhood on Saturdays. We are always looking for ways to make programs more accessible for families in our community.

We are planning to offer storytimes on certain Saturday mornings and we will be resuming our Saturday family concerts and performers starting in March. Also, Youth Services will continue to have our NSYMCA Y-Art family program on the second Saturday of the month and our family movies in the auditorium on the fourth Saturday.

We will be sure to keep your feedback in mind when planning programs in the future.

Re: Gender Queer Why? This is what my children and I see as soon as we walk into the children's section. I no longer feel the library is a safe space for my children, between the drag queens, child porn("gender queer" book see below), pronouns and cross dressing for kids. Enough is enough. Why are you pushing this on children?

This is the fifth in a series of comments from this patron.

We have reached out multiple times in various ways to the patron to set up a time to meet with her, but she has not responded to any of our efforts to reach her.

My name is Laura and I am Northbrook resident and a "frequent flyer" at the NBK Collaboratory. I am writing to you to tell you how amazing your staff is in the Collaboratory. Each and every time I am there, they greet me with a friendly smile and offer their assistance in helping to make my vision a reality.

I was recently in your collaboratory working on a project for my local synagogue that took a great deal of time. Each time I came in, they all knew exactly what I was working on and several times my project was already cued up and ready to be lasered. My project turned out amazing and I couldn't have done it without all of your staff's help.

Attached are some of the amazing things I have made in your maker's space! So lucky to have this resource at my local library!

Thank you for your email. Your project looks amazing and I am so thrilled (but not surprised) to hear about your experiences in the Collaboratory. I'll be sure to share your email with the staff so they can hear your appreciation first hand.

This comment is directed to the Board, especially to the President. I attended the January meeting and noticed something you might want to tweak about your Public Comments section. I am respectfully speaking as someone who has both been an elected board member and as a League of Women Voters Observer. I'm hoping that it doesn't come to this, but to forestall any public ugliness, you might want to 1) have your Public Comments Policy printed on your website and on the agenda; 2) have the President begin making a practice of reading that policy aloud at the beginning of each meeting; and 3) have the policy include language stating that board members and library staff will not answer questions or respond to comments during the Public Comments period but will get back to the commenter if requested. I believe that the Park District and the Village have models of this.

Comment Source: Email

Response to Patron by Kate Hall on January 24, 2023:

Thank you for all the suggestions. Your suggestions are something that I know many of the village and school boards do, but is not something most public libraries have been in the practice of doing. I agree that they are a good best practice that we should look at implementing. I am sharing this with the board and will look into adding these to future meetings. Please let me know if you would like to talk further or have any other suggestions.

#### Memorandum

TO: Board of Trustees

FROM: Kate Hall, Executive Director

RE: Library Financial Policies Review

As part of the budget process, the board will be doing a review of the financial policies. I have included copies of the financial policies approved by the board in 2020. I have provided a brief overview of each and the full policies are attached.

#### 204 Budget & Finance

This lays out the overarching requirements for a budget (create an annual budget) and lists the items that must be presented monthly to the board (bills & charges, cash balances, income statement). It also includes the following language which is replicated from the Illinois compiled statutes: Each year, the Board of Trustees determines if the library's revenues are adequate to meet the needs of the community. If the revenues are not adequate to meet the needs of the community, the Board of Trustees takes action to increase the library's revenue.

#### 205 Banking Procedures

The Banking Procedures dictates which checks require one signature and is typically signed by the Executive Director (anything under \$600) and which require two signatures (\$600+) and should be signed by two board officers.

#### 206 Authority to Spend

Authority to Spend determines how much the Executive Director or their designee is authorized to spend on budgeted items (\$25,000) and items not in the budget (\$5,000) and lays out when a formal bid process is required.

#### 207 Investment

This policy lays out the investment strategy for the library and the reporting requirements for presentation to the board each month which include:

- Type of Investment
- Liquidity (including maturity dates)
- Rate of Return
- Location of Investment
- Impact of any material change in investment policy adopted

The goal of any investment made is to invest in a manner which will provide the highest return while meeting the daily cash flow demands and stay in compliance with state law.

#### 208 Funds

This policy stipulates the fund balance we should maintain for operating (4-12 months) and capital improvements (no specific amount, but states it should be enough to support upcoming planned projects based on the library's facility plan).

The Northbrook Public Library has a board-approved written budget. This budget is developed annually as a cooperative process between the Board of Trustees, the Executive Director, and additional staff members with responsibility for budgetary areas.

Each year, the Board of Trustees determines if the library's revenues are adequate to meet the needs of the community. If the revenues are not adequate to meet the needs of the community, the Board of Trustees takes action to increase the library's revenue.

On a monthly basis, the Executive Director presents written reports on library finances to the Board of Trustees which includes a full list of bills and charges, cash balances, and an income statement.

#### 205: Banking Procedure

| Created: | March 2020 | Updated: |  |
|----------|------------|----------|--|
|          |            |          |  |

The Executive Director of the Northbrook Public Library or their designee is authorized to make deposits into appropriate library accounts. Such deposits include, but are not limited to, the deposit of accumulated fees and fines, gifts, donations, grants, and tax receipts.

The Executive Director or their designee is authorized to transfer funds from one library account to another library account for payment of monthly library bills which have been approved by the Board of Trustees.

The Executive Director or, in an emergency, the Finance & Operations Manager is authorized to sign checks valued at less than \$600. All other checks require two board signatures. In the event of an emergency, the Executive Director or Finance & Operations Manager may be the second signatory on a check greater than \$600.

#### 206: Authority to Spend

| Created: | March 2020 | Updated: |  |
|----------|------------|----------|--|
|          |            |          |  |

The Executive Director of the Northbrook Public Library or their designee is authorized to spend up to \$25,000 on any single item without prior board approval provided the item is accounted for in the budget.

Any expense in excess of \$25,000 must be approved by the Board of Trustees, and only after completing the formal bid process, if required, as described in Illinois Law.

The Executive Director is authorized to spend up to \$5,000 on any single item not accounted for in the budget.

The Executive Director must seek board approval for the authority to spend \$5,000 or more on any single item not accounted for in the budget.

#### 207: Investment

| Created: | March 2020 | Updated: |  |
|----------|------------|----------|--|
|          |            |          |  |

It is the policy of the Northbrook Public Library to invest all funds under the library's control in a manner which will provide the highest investment return using authorized instruments, while meeting the library's daily cash flow demands and in conformance with all state statutes governing the investment of public funds.

#### INVESTMENT GUIDELINES

The primary objective in the investment of library funds is to ensure the safety of principal, while managing liquidity to pay financial obligations, and providing the highest investment return using authorized instruments.

#### Safety

The safety of principal is the foremost objective of the investment program. To attain this objective, diversification and internal controls, as defined in the policy, are required to ensure that the library prudently manages market, interest rate and credit risk.

#### Liquidity

The investment portfolio shall remain sufficiently liquid to enable the library to meet all operating requirements which might be reasonably projected.

#### Return on Investment

The investment portfolio shall be designed to obtain the highest available return, taking into account the library's investment risk constraints and cash flow needs and the library's desire to promote fiscal responsibility. The rate of return achieved on the library's portfolio will be measured against relevant industry benchmarks at regular intervals to determine the effectiveness of investment decisions in meeting investment goals.

#### **208: Funds**

| Created: | March 2020 | Updated: |  |
|----------|------------|----------|--|
|          |            |          |  |

A Funds Policy establishes a minimum level at which the projected end-of year fund balances should be maintained, in order to provide long-term financial stability, cash flow for operations, and fund balances adequate to ensure that the library will be able to respond to emergencies from a strong fiscal position and outlines how to handle special reserves.

#### **DEFINITIONS**

The five categories of fund balance, as established by Governmental Accounting Standards Board Statement No. 54, are as follows:

- 1. Non-spendable: Amounts that cannot be spent because they are not in spendable form (e.g., principle portion of permanent fund, inventory).
- 2. Restricted: Amounts not available for expenditure due to external restrictions, including grant restrictions, laws, or regulations.
- 3. Committed: Amounts that are designated for specific purposes by formal action of the Board of Trustees. (The Board of Trustees may reverse this action if it is later determined the funds are needed for another purpose.)
- 4. Assigned: Amounts management (i.e. Executive Director) intends to use for specific purposes.
- 5. Unassigned: Available expendable financial resources in the General Fund that is not the object of tentative management plan. Also represents deficit positions within funds other than the General Fund.

Unrestricted fund balance refers to the total amount of committed, assigned, and unassigned fund balances.

#### Periodic Review of Investment Portfolio

The Board of Trustees shall review investment safety, liquidity, rate of return, diversification and general performance.

#### **PRUDENCE**

Investments shall be made with the judgment and care under the circumstances then prevailing which persons of prudence, discretion and intelligence exercise in the management of their own affairs, not for speculation, but for investment, considering the probable preservation of their capital as well as the probable income to be derived. This "prudent person" standard shall be used by all investment officers of the library and shall be followed in making and managing investments for the library.

#### FTHICS AND CONFLICTS OF INTEREST

Authorized investment officers of the library and employees in policy-making positions shall refrain from personal business activity that could conflict, or give the appearance of a conflict with proper execution of the investment program, or which could impair their ability to make impartial investment decisions. Such individuals shall disclose to the library any material financial interest in financial institutions which conduct business with the library, and they shall further disclose any personal financial investment positions that could be related to the performance of the investment portfolio. In addition, such individuals shall subordinate their personal investment transactions to those of the investment portfolio, particularly with regard to the time of purchases and sales.

No person acting as Treasurer or financial officer for the library, or who is employed in any similar capacity by or for the library, may do any of the following:

- 1. Have any interest, directly or indirectly, in any investments in which the library is authorized to invest.
- 2. Have any interest, directly or indirectly, in the sellers, sponsors or managers of those investments.
- 3. Receive, in any manner, compensation of any kind from any investments in which the library is authorized to invest.

### AUTHORIZED AND SUITABLE INVESTMENTS

Bonds, notes, certificates of indebtedness, treasury bills, or other securities now or hereafter issued, that are guaranteed by the full faith and credit of the United States of America as to principal and interest

Bonds, notes, debentures or other similar obligations of the United States of America, or its agencies. For purposes of this policy, the term "agencies of the United States of America" includes federal land banks, federal intermediate credit banks, banks for cooperative, federal farm credit banks, or any other entity authorized to issue debt obligations under the Farm Credit Act of 1971 and the federal home loan banks and the Federal Home Loan Mortgage Corporation; and any other agency created by Act of Congress

Interest-bearing savings accounts, interest-bearing certificates of deposit, interest-bearing time deposits, or any other investments constituting direct obligations of any bank as defined by the Illinois Banking Act (205 ILCS5/1 et seq.), provided, however, that such investments may be made only in banks which are insured by the Federal Insurance Corporation

The Public Treasurer's Investment Pool created under Section 17 of the State Treasurer Act (15ILCS 505/17) or in a fund managed, operated, and administered by a bank, subsidiary of a bank, or subsidiary of a bank holding company, or use the services of such an entity to hold and invest or advise regarding the investment of any public funds.

## COLLATERALIZATION

Collateral securities guaranteed by the full faith and credit of the United States of America shall be required for deposits in excess of \$100,000 per institution. The percentage of collateralization shall be in conformance with all State statutes governing the investment of public funds.

### DIVERSIFICATION

The investment portfolio shall be diversified to eliminate the risk of loss resulting from concentration of assets with a specific maturity date. The library shall invest the

majority of its funds in authorized investments of less than one (1) year maturity. No investment shall exceed two (2) years maturity.

### INTERNAL CONTROLS

The library's Finance and Operations Manager in conjunction with the Executive Director shall establish a system of internal controls, which shall be documented in writing, reviewed by the auditor, and filed with the Board of Trustees for review and approval. The controls shall be designed to prevent losses of public funds arising from fraud, employee error, and misrepresentation by third parties.

#### I IMITATION OF LIABILITY

The standard of prudence to be used by authorized investment officers shall be the "prudent person" standard and shall be applied in the context of managing an overall portfolio. Authorized investment officers acting in accordance with written procedures and this policy and exercising due diligence shall be relieved of personal liability for an individual security's credit risk or market price changes, provided deviations from expectations are reported in a timely fashion and necessary action is taken to control adverse developments.

#### REPORTING

Financial reports shall be presented to the Board of Trustees by the Executive Director or Finance and Operations Manager on a monthly basis. This report shall include the following:

- 1. Type of Investment
- 2. Liquidity (including maturity dates)
- 3. Rate of Return
- 4. Location of Investment
- 5. Impact of any material change in investment policy adopted

#### DELEGATION OF AUTHORITY

The Board of Trustees may employ one or more investment advisors possessing superior capabilities in the management of assets of governmental bodies. The Board

of Trustees shall require the investment advisor(s) selected and working on behalf of the library to meet the following conditions:

- 1. To take actions in the exercise of its discretion which in its best professional judgement are in the best interests of the library and in accordance with this policy.
- 2. To execute all investment transactions on behalf of the library at the best net price, utilizing such approved brokers and dealers as it deems appropriate to obtain the best execution capabilities and/or valuable information with respect to the economy, at the lowest cost to the library.
- 3. Such additional responsibilities as are set forth in such investment advisor's written contract with the library.

The library's investment advisors shall be responsible for establishing the internal controls in written procedures for the operation of the library's investment program as set forth in this policy.

Until the Board of Trustees appoints one or more investment advisors, management responsibility for the investment program set forth in this policy is delegated to the Executive Director and/or the Finance and Operations Manager.

The library will spend the most restricted dollars before the less restricted, in the following order: restricted, committed, assigned, unassigned.

#### LEVEL OF UNRESTRICTED GENERAL FUND BALANCE

It is the goal of the library to maintain no less than four (4) and not more than twelve (12) months of operating expenses in the General Fund. General Fund balances over the minimum four (4) months at the end of the fiscal year may be transferred to the Capital Improvement Fund through Board of Trustees approval.

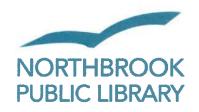

## LEVEL OF CAPITAL IMPROVEMENT FUND

The Capital Improvement Fund is used for construction of a library, purchasing a site for erecting a library, building an addition to an existing library building, furnishing necessary equipment for a library building, renovating the existing library building, acquiring electronic data storage and retrieval facilities in connection with either the purchase or construction of a new library building or the expansion of an existing library building and for emergency expenditures for the repair of an existing library building or its equipment. The Capital Improvement Fund balance is evaluated when reviewing the library's facility plan and annual budget and is maintained at a level sufficient to support upcoming planned projects. No specific minimum or maximum balance is established for the Special Reserve Fund.

## **FUND BALANCE SHORTFALLS**

Fund balances may fall occasionally outside of the target ranges because of special projects, construction, emergencies, other extenuating circumstances, and/or levy restrictions.

Whenever the unassigned fund balance of the General Fund falls below the benchmark provided for in this policy, the Executive Director shall present a plan to the Board of Trustees that would return unassigned fund balance to the minimum level over the next two fiscal years. The Executive Director's plan should try to avoid both significant service reductions and the delay of needed capital repairs and improvements.

RE:

2024 Draft Budget

Attached is a draft budget for fiscal year 2024 for your review. Projection reports used to develop the budget are on the board portal. A more detailed overview will be presented at the meeting.

During the Levy process the board voted to increase the operating, FICA, IMRF, and debt service levies 5.3% or \$9,596,900.

Budgeted revenues and expenditures were determined by assessing the following information:

- Prior year's revenue data
- Prior year's spending data
- Library wide initiatives
  - o Equity, Diversity & Inclusion (EDI) & Climate Action Plan
    - Funds have been allocated to continue our work on these initiatives
  - o Personnel
    - Funds have been allocated to adjust salaries after the salary benchmarking analysis to retain employees and ensure competitive compensation.
- Facility plan
  - o Included in this year's facility plan (full plan available in the board portal), we are focusing on the following building projects:
    - Landscaping Project which will include
      - Sealing and striping of parking lots
      - Concrete driveway, sidewalks, stairs, curbing
      - Railings & handrails
      - Signage
    - Security Cameras
    - Alarm System
    - Access Control System

- Boilers
- HVAC Automation System Upgrade

#### Salaries & Wages

o Funds have been included for benchmarking/competitive compensation initiatives.

#### Department budget requests

- o Materials
  - Funds have been allocated based upon staff input, which includes circulation statistics and patron requests.
  - Spending is 11.49% of the budget
    - Illinois State Library standard materials is 8 to 12% of budget. The ISL standard will also allow consideration of consortium and resource sharing costs as part of the materials budget. Our costs are \$105,000 which brings our percentage up to 12.77%.

#### Programming

Funds have been allocated based upon staff input. In FY24, the Library will
be offering the community One Book One Northbrook program. A donation
from the Laird Foundation will be applied to the costs of this program.

#### o Staff Development

 The budget increased as more in person training is now available and we are seeing interest in returning to in person programming – the costs associated with in person training is greater than virtual training.

#### Software

 Funds have been allocated based upon a technology needs review with Outsource Solutions Group to continuing existing licenses and potential new software.

#### o Community Relations

 Funds have been allocated to cover the paper cost increases for the newsletter, increases in our email marketing efforts and expenses related to outreach efforts. We are taking measures and looking at options to reduce the newsletter costs.

#### o Insurance (Group and General)

- Includes for a 3% increase for Medical, Dentals, Vision and Life
- Includes a 16.0% increase for General, Umbrella, Auto, Crime, Cyber, Director & Officer, Workers Compensation and Flood

#### o Professional Fees

 This line shows a significant increase and we are still evaluating the various proposals and initiatives. We will have an updated number and more information at the March board meeting.

#### o Contracted Services

Increase is due to inflation

#### Fixed Assets

- Fixed assets is increasing to meet aging building needs and increased technology costs. We plan to use a combination of operating funds, per capita grant and restricted funds to purchase items.
- Designated Revenues and Expenses have increased to capture Illinois Library Presents activity.

The Budget will be presented again in March for final approval.

#### Memorandum

DATE: February 9, 2023

TO: Board of Trustees

FROM: Kate Hall, Executive Director

**RE: Strategic Plan Process** 

As discussed at the last board meeting, we will be starting a strategic planning process. I am working on putting together an RFP and would like to discuss what the board wants to see in a strategic planning process as well as identify key values the board would like included in assessing consultants.

#### **Previous Process**

In our last strategic planning process, we did a modified version of a plan and had a focus group of staff and board members that discussed the needs of the library. A strategic plan committee made up of staff and board reviewed patron comments and usage data and worked with the strategic plan consultant to create strategic priorities. Staff then developed a list of goals and action steps.

#### 2018-2021 Strategic Plan

#### **Process Considerations**

Given the amount of change the world has experienced over the past three years, I recommend that we do a full strategic planning process that incorporates the following into the process to assess what the current needs of our community are:

- Revision of our mission, vision, and values
- Some form of a community wide assessment (eg. focus groups, user interviews, surveys)
- Gathering of quantitative and qualitative data from staff, board, and community

The board has identified sustainability and EDI work as main areas of focus for the library in previous discussions. What, if any, other values and areas of focus would the board like to see referenced in the RFP?

The form the process takes will be determined by which consultant the board hires. That being said, are there any specific things the board would like to see (or not see) as part of the strategic planning process?

#### Potential Timeline
